Be-Line® matte black angled grab bar 135°, 400 x 400mm

Ref. 511982BK

Matte black aluminium, 3 fixing points

DESCRIPTION

Be-Line® matte black angled grab bar 135°, 400 x 400mm - Ref. 511982BK

Be-line® angled grab bar 135°, Ø 35mm, for people with reduced mobility.
For use as a handrail (horizontal part) or as a grab rail (135° part), for WCs, showers or baths.
Use as a universal grab bar for either left or right side.
Aluminium tube thickness 3mm. Solid aluminium fixing points.
Rounded profile Ø 35mm with ergonomic flat front face that prevents rotation for an optimal grip.
Matte black powder-coated finish; provides a good visual contrast with light-coloured walls.
Uniform surface for easy maintenance and hygiene.
38mm gap between the bar and the wall: minimal space prevents the forearm passing between the bar and the wall, reducing the risk of fracture in case of loss of balance.
3 fixing points prevent the hand from getting trapped and simplify installation.
Concealed fixings.
Supplied with stainless steel screws Ø 8 x 70mm for concrete walls.
Dimensions: 400 x 400mm.
Tested to over 200kg. Maximum recommended user weight: 135kg.
Grab bars for toilets with 30-year warranty. CE marked.

ADVANTAGES

- Innovative, design-for-all, matte black finish
- Comfort: ergonomic anti-rotation surface
- Tested to over 200kg
- 38mm gap between bar and wall: space saving
