

# Be-Line drop-down support rail with leg, L. 650mm, white

Ref. 511962W

Powder-coated matte white

## DESCRIPTION

**Be-Line drop-down support rail with leg, L. 650mm, white - Ref. 511962W**

Be-Line drop-down support rail for people with reduced mobility.  
In the lowered position use as a grab bar, as a support for standing and for assisting movement, for WCS or showers.  
Allows side access in the raised position.  
Removable: easy to remove with anti-theft locking system. Reduces the number of bars in a facility, allowing installation only when required.  
Example: hotels or hospitals providing short-term accommodation for disabled people.  
Drop-down rail retained in upright position. Slowed down descent.  
Aluminium tube.  
Rounded profile Ø 42mm with ergonomic flat front face that prevents rotation for an optimal grip.  
Matte white powder-coated aluminium finish provides a good visual contrast with dark walls.  
Uniform surface for easy maintenance and hygiene.  
Concealed fixings secured to wall by a 304 stainless steel plate, 5mm thick.  
Supplied with stainless steel screws Ø 8 x 70mm for concrete walls.  
Leg provides additional reinforcement when wall fixings are not enough.  
Dimensions: 650 x 825 x 120mm.  
Leg height can be adjusted from 760 - 780mm.  
Tested to over 200kg. Maximum recommended user weight: 135kg.  
Drop-down rails with 30-year warranty.  
CE marked.

## TECHNICAL CHARACTERISTICS

**Be-Line drop-down support rail with leg, L. 650mm, white - Ref. 511962W**

|          |                                                                                                                                                                         |
