Be-Line drop-down support rail, L. 850mm, anthracite

Ref. 511964C

Powder-coated metallised anthracite

2024 UK public price excluding VAT: £359.05

DESCRIPTION

Be-Line drop-down support rail, L. 850mm, anthracite - Ref. 511964C

Be-Line® drop-down support rail for people with reduced mobility. In the lowered position use as a grab bar, as a support for standing and for assisting movement, for WCs or showers.

Allows side access in the raised position.

Removable: easy to remove with anti-theft locking system. Reduces the number of grab bars in a facility, allowing installation only when required. Example: hotels or hospitals providing short-term accommodation for disabled people.

Drop-down rail with slowed down descent. Retained in upright position. Aluminium tube.

Rounded profile \emptyset 42mm with ergonomic flat front face that prevents rotation for an optimal grip.

Metallised anthracite powder-coated aluminium finish provides a good visual contrast with light-coloured walls.

Uniform surface for easy maintenance and hygiene.

Concealed fixings secured to wall by a 304 stainless steel plate, 5mm thick. Supplied with stainless steel screws \emptyset 8 x 70mm for concrete walls. Dimensions: 850 x 210 x 120mm.

Tested to over 200kg. Maximum recommended user weight: 135kg. Support rail for WCs with 30-year warranty. CE marked.

ADVANTAGES

Innovative design suitable for all

Removable: easy to unclip

Comfort: ergonomic flat face prevents rotation

Tested to over 200kg
