

# Be-Line® DOC M grab bar anthracite, 600mm

Ref. 511906MC

Metallised anthracite powder-coated aluminium

2026 UK public price excluding VAT: £120.46

## DESCRIPTION

Be-Line® DOC M grab bar anthracite, 600mm - Ref. 511906MC

Be-Line® DOC M grab bar Ø 35mm, for people with reduced mobility. For use as a handrail or grab bar for WCs, showers or baths. Aluminium tube, 3mm thick. Solid aluminium fixing points. Rounded profile Ø 35mm with ergonomic flat front face that prevents rotation for an optimal grip. Metallised anthracite powder-coated aluminium provides a good visual contrast with the wall. Uniform surface is easy to clean and maintain. 60mm gap between the bar and the wall: minimal space prevents the forearm passing between the bar and the wall, reducing the risk of fracture in case of loss of balance. Concealed fixings. Supplied with stainless steel screws Ø 8 x 70mm for concrete walls. 600mm centre-to-centre. Tested to over 200kg. Maximum recommended user weight: 135kg. 30-year warranty. CE marked. DOC M compliant.
