

2026 RED DOT DESIGN AWARD: RAVA WASHBASIN WINS

Ref. DELABIE: 120670

The RAVA countertop washbasin (Ref. 120670) has been awarded the 2026 Red Dot Award in the 'Product Design' category.

The Award

The Red Dot Award for Product Design, which dates back to 1955, is awarded to the best products of each year. This year forty judges, from various sectors, once again went in search of well-designed and innovative products. During a committee meeting which lasted several days, they meticulously examined the featured products. Criteria such as quality, ergonomics and durability were central topics.

With more than 18,000 featured products, the Red Dot Award is one of the biggest design competitions in the world. The highly sought-after 'Red Dot' award is a very highly-respected international distinction for exceptional design quality. The prizewinners are presented in directories, museums, but also on their website: www.red-dot.org.

For specifiers, this recognition forms a reliable benchmark in order to identify durable, high-performing products that are adapted to demanding environments.

The Product

The RAVA countertop washbasin in polished satin stainless steel embodies a new aesthetic vision for high-end public washrooms. Elegant, its round shape and high-precision finish explain its appeal. Its sleek design, pressed into one, reinforces its fluidity and visual lightness. With its substantial diameter (420mm), it guarantees comfortable handwashing - ideal for highly-frequented places: hotels, restaurants, offices, cultural establishments...

Made from 304 bacteriostatic stainless steel, the RAVA washbasin offers optimal hygiene and resistance to intensive use.

Maintenance is easy thanks to its smooth surface, which helps reduce maintenance time in high-footfall spaces.

Designed for modern washrooms, the RAVA washbasin fits in naturally in hotels, restaurants, cultural places and business headquarters. It adapts harmoniously to all organisations, regardless of the washroom layout, whilst offering a premium aesthetic touch.
